life is why®

eCards are a simple, secure, and convenient way to issue course completion cards. Students and employers can check training status of any eCard holder 24 hours a day, 7 days a week.

Date Completed	Expiration Date
Training Center Name	Instructor Name
Training Center ID	Instructor ID
Training Center City, Country	eCard Code
Training Site Name	

To view or verify authenticity, students and employers should scan this QR code with their mobile device or go to www.cprverify.org
© 2016 American Heart Association. All rights reserved. 15-2821-7116

Align this card with the specific Training Center who issued it.

To verify that the eCard was issued by an AHA training center, validate the eCard credentials through the "Certificate Lookup" on www.CPRVerify.org

All cards have a copyright notice.

The expiration date will appear as a 2-digit month, 4 digit year, and 2 years from the issue date.

All information on the eCard is digitally populated based on the information entered by a valid Training Center Coordinator or Instructor.

The Instructor ID is an added layer of security to ensure that each card can be traced back to a specific instructor, training center, and their internal course rosters.

Employers may verify that an eCard is authentic by scanning the QR code on the eCard using a mobile device. Once the QR code is scanned, it will auto populate the Instructors credentials for the employee to verify.
